

The 1100 Ultra Replacement Window

We have thought of everything

The 1100 Ultra. Leads the way in efficiency, value and premium features.

We listened to what our customers have asked for in a quality replacement window and we have delivered. The 1100 ULTRA is packed with over 30 high-end features that you will not find in any other window. The 1100 ULTRA upholds our tradition of providing our customers the best possible window money can buy. To find out why more professionals and homeowners are turning to Superseal, call us today at 888-NEW-VINYL or visit us at www.supersealwindows.com

The 1100 With Solarban® 70 XL, the best choice for energy-efficient glass is very clear.

With an unparalleled combination of

visible light transmittance, energy-saving solar control and a clear glass appearance, Solarban® 70 XL Solar Control Low-E Glass represents the most dramatic advance in window glass in more than a decade.

This revolutionary Solar Control Low-E glass allows homeowners to cut summer cooling costs by as much as 25% while enjoying all the benefits of abundant interior sunlight and a clear, color-neutral glass appearance.

The 1100 is NFRC certified to qualify for the 2009 Stimulus Bill tax credit, up to \$1,500 per home!
