

CASEMENT & AWNING IMPROVE YOUR VIEW.

Open up any room with a dramatic combination of our casement and awning windows. You can use just one by itself—they come as wide as 35.5"—but they definitely create a unique look when combined in multiples or with any other unit.

Our casement opens wide for extra ventilation. Our awning lets you get fresh air even when it's raining. Both feature beautiful styling, beefy construction and premium quality performance.

Our folding handle is contemporary & very smart. It's there when you need it, and folds out of the way of your window treatments.

Available in matching picture windows.
